

Hi Im Licel Joy S. Garrido living in brgy. Canhandugan Jaro, Leyte and i am 19 years old. Currently learning Information Technology. My father is a driver and my mother is a house wife. We are three, i am the eldest. And because i am the "Ate". I am obliged to learn the household chores and i am the one who's responsible to my siblings . I have to make my parents proud and happy. I have to finish my studies and get a job to help my parents and to help my siblings to finish their study. I love listening to music, hikings, and playing volleyball. My weakness is the time management and financial. My strenght is my God, family and my friends.
